**Paddock Access/Garages:** To ensure multi-car teams are not separated, we are assigning garages and organizing parking for June 3.

The paddock will be open to DMTD participants on Tuesday, June 3 starting at 6pm and garages will be closed at 9pm each night. All transporters will be staged at the WGI Registration Building (top of the hill by Gate 4A). Transporter drivers will sign the track waiver and be issued a track wristband. **Rigs only, no cars**, will leave the registration area in small groups (to avoid stopping on public roads) and proceed through Gate 2 to the garage area to park. Rigs will enter the garage area on the end where “The Little Speed Shop” is (see attached map). We will have 2 lanes as we enter the Garage area and begin with Garage 1 ending with Garage 14 in the left lane, Garage 30 ending with Garage 17 in the right lane. See the attached map, to follow for order of team parking load in. The garages will close at 9pm each night.

**NOTE: Passenger cars, support trucks, etc. will be allowed access through Gate 2 Security only after all rigs are parked.**

**PIT LANE:** Will be open for teams wishing to set up equipment from load-in on Tuesday evening.

**IF YOUR RIG IS NOT READY TO LOAD IN ON TIME YOU MAY NOT BE ABLE TO PARK NEAR YOUR GARAGE.**
